

I am writing to protest Sinclair Broadcasting's forcing its stations to air an anti-John Kerry documentary days before the election.

My Sinclair Broadcasting station KMWB in St. Paul is not serving the public interest by broadcasting one-sided propaganda days before an election, especially since they are not giving the other side equal time.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
